THE FREEDOM TO EXPERIENCE MORE

1 SEE. See new impressions that will simply amaze you. Unique sightings that you will never forget. The moment is all yours with the incredible optics of the CL Companion.

2 FEEL. The compact CL Companion is constantly by your side for all your discoveries. It is easy to use and provides maximum comfort. Experience nature even more intensely.

3 CREATE. The world of the CL Companion is as individual as you are: choose from three accessory packages created to express your personal style. A phone adapter is available as an optional extra to capture these most stunning moments.
