## July 2019 Shoot

22 Shooters attended the Carl Everill Shoot on 20 July 2019. The weather was cold and windy, as can be seen by the guys attire! Nevertheless, good fun was had by all.

A challenging 22LR range was set by Mark Klipp and an exceptional score of 29/30 (96%) achieved by Rudolf Koch – with son Martin nipping at his heels!

The wind threw the clays about and yet Rudi Meyer hit 40/50. Congratulations to Patrick on winning the trophy (again!)
