August 2019 Shoot

A big thank you to Leon and Lorna Cronjé of Cronjé's Engineering for the sponsorship of the braai. 23 persons attended the shoot.

Walter Fortmann put a lot of effort into range setting – thank you!

Special mention of Dieter, who shot a 33/50 on the shotgun range.

Rachel Emond hit 28/40 gongs in the quarry and showed up many of the normal skerpskutters. Only 5 guys shot better than her!
